Thank you, Ed

The below message is very helpful to keep track of all of the various moving parts as it relates to the Gold King release. Yes, please do feel free to call-in and we welcome Anne's attendance this morning. The closer we can all coordinate, we should be able to support HQ, R8, and R9 much better.

Appreciate your support.

v/r,

Calvin

Calvin,

Russ is on vacation this and next week - I wanted you to see the email from the R8 ARA on travel.

I am out of the office today but will try to call in to the REOC meeting this morning and also ask Anne to attend.

Thanks for all you do.

Colleagues,

It has come to my attention that some of you are deploying resources to Region 8 at the request of headquarters to support the spill response effort. I believe our comptrollers have already spoken regarding this situation, but I wanted to reach out to you and let you know that if you have a deployment please have your comptroller contact Ben Bielenberg (R8 comptroller) to work out the time and travel details.

Thanks.

Rick
